

Timeless Elegance Handcrafted to Perfection

BLACK POT

About us

Founded in 2021 by two brothers and a friend – Hippolyte, Yego, and Everie – Black POT Ltd was born out of a shared love for plants and design. We transform fiberglass into unique decorative objects and furniture, combining artisanal craftsmanship with innovation.

Based in Mauritius, we take pride in promoting local production, with every piece handcrafted by skilled artisans.

Our commitment is to offer bespoke creations, tailored to the specific needs of each client, with meticulous personalization.

By prioritizing high-quality materials, we ensure that our products are both elegant and durable, designed to enhance any space.

Black POT embodies the excellence of Mauritian craftsmanship, offering creative and aesthetic solutions for both indoor and outdoor decor projects.

We also provide a fully custom service, allowing you to personalize the shape, size, and finish to suit your space perfectly.

Our Journey ■

Founded in 2021, Black POT Ltd is a Mauritian company specializing in the manufacture of fiberglass pots and indoor/outdoor furniture.

Our production includes coffee tables, sofas, dining tables, and many other custom-made creations, all crafted by a dedicated team of 7 local artisans.

Our clients enjoy complete design flexibility, choosing from our extensive product range or collaborating with our designers to create bespoke pieces. Black POT is proud to have partnered with renowned hotel groups such as LUX*, Beachcomber, and Rogers Hospitality, as well as companies like Mr Bricolage, TerraNova, and Access Ltd.

Through our commitment to quality and local craftsmanship, Black POT has recently earned the Made in Moris label, further cementing our position as an ethical company with a focus on excellence.

Our goal is to become a key player in the design and production of fiberglass furniture, not only in Mauritius but across the Indian Ocean region and East African markets.

With meticulous attention to detail, from material selection to finishing, we offer a wide range of finishes, including satin, polished concrete, and rustic effects like rust or bronze, ensuring high-quality products.

At Black POT, we transform spaces by blending design with durability, to meet the most demanding expectations of our clients.
